SUBMISSION TO CORRECT SMALL ENTITY STATUS UNDER 37 C.F.R. 1.28(c)

Sir:

Applicants respectfully submit this paper to correct the previous good faith establishment of Small Entity Status for the above-referenced patent application. Applicants respectfully request that any error in establishing Small Entity Status be excused in accordance with 37 C.F.R. 1.28(c). On April 1, 2004, a filing fee of \$1,341.00 was paid in connection with the filing of the above-referenced application and small entity status was claimed on the Transmittal.

Small Entity Status was previously established in good faith, and Small Entity fees were previously paid in good faith. Recently, individuals associated with the payment of fees and execution of the Assertion in connection with the above-referenced patent application have become aware that a large entity, DuPont, retains certain licensing rights in the invention and that small entity status is therefore not appropriate.

In accordance with 37 C.F.R. 1.28(c), Applicants respectfully submit herewith a check for \$1389.00 to cover the deficiency owed resulting from the previous erroneous payment of Small Entity fees.

In accordance with 37 C.F.R. 1.28(c) (ii), set forth below is an itemization of the total deficiency payment.
